Date: 19 June 2017

**SUBJECT: GUIDELINES ON THE PREPARATION AND ISSUANCE OF LOCAL ORDINANCES, ORDERS, RULES AND REGULATIONS CONCERNING THE LOCAL PUBLIC TRANSPORT ROUTE PLAN (LPTRP)**

**SECTION 1: BACKGROUND**

**WHEREAS**, Department Order No. 2017-011, or the "Omnibus Guidelines on the Planning and Identification of Public Road Transportation Services and Franchise Issuance", stipulated that the Department of Transportation (DOTr) shall set guidelines, criteria, and procedures for local public transport planning and help build local capacities to prepare Local Public Transport Route Plans (LPTRPs). LGUs shall be responsible for collecting data, analyzing public transport supply and demand, and identifying specific public transport supply gaps for travel within their territories and for capturing this in city and municipal public transportation plans;

**WHEREAS**, Republic Act (R.A.) No. 10844, otherwise known as the "Department of Information and Communications Technology Act of 2015", was enacted on 23 May 2016, where it transferred certain functions of the Department of Transportation and Communications (DOTC) and Department of Science and Technology (DOST) into the newly created Department of Information and Communications Technology (DICT), thereby renaming the DOTC into the Department of Transportation (DOTr);

**WHEREAS**, the Department of the Interior and Local Government (DILG), as provided in Section 5 of Executive Order No. 262, series of 1987, otherwise known as the "Reorganization Act of the Department of Local Government and for Other Purposes", may establish and prescribe rules, regulations, and other issuances implementing laws on the general supervision of LGUs, promotion of local autonomy, community empowerment, and monitor compliance thereof by said LGUs;

**WHEREAS**, the DILG, in the exercise of its general supervision of LGUs, may establish and prescribe rules, regulations, and other issuances to ensure that locally-issued ordinances, orders, rules and regulations concerning public transportation conform with existing laws and jurisprudence relating to public transportation, in accordance with DILG-DOTC Joint Memorandum Circular No. 01, series of 2008, dated 10 September 2008, entitled "Guidelines in the Review of Local Ordinances, Orders, Rules and Regulations concerning Public Transportation";

**WHEREAS**, Section 17 (a) of Republic Act 7160, otherwise known as "The Local Government Code of the Philippines", provides that Local Government Units (LGUs) shall discharge the functions and responsibilities of national agencies and offices devolved to them pursuant to this Code. LGUs shall likewise exercise such other powers and discharge such other functions and responsibilities as are

necessary, appropriate, or incidental to the efficient and effective provision of the basic services and facilities enumerated herein;

**WHEREAS**, Sections 1 and 2 of Executive Order 712<sup>1</sup>, s. 2008 provide that:

*"Section 1: The Department of Transportation and Communication (DOTC) is hereby directed to immediately review all existing orders, rules and regulations issued by Local Government Units (LGUs) concerning public transportation within their jurisdiction, including the grant of franchises to tricycles, establishment and operation of transport terminals, authority to issue traffic citation tickets, and unilateral rerouting schemes of public utility vehicles."*

*"Section 2: Pending the review by the DOTC under Section 1 hereof of existing orders, rules and regulations issued by LGUs, the Department of the Interior and Local Government (DILG) shall, subject to existing laws, advise LGUs to suspend (1) the establishment and operations of new and existing transport terminals that charge fees and require compulsory use by public utility vehicles, (2) the enforcement of re-routing schemes that violate the authorized routes as provided for the PUV franchises, (3) the issuance of new tricycle franchises while respecting those that have been issued already, (4) the increase in local fees and charges applicable to public transportation, and (5) the implementation of local programs, projects and ordinances that have impact on the cost of operations of public utility vehicles without first coordinating and getting the approval of the DOTC to ensure that these programs, projects and ordinances do not prejudice public interest by way of higher transport fares."*

**NOW THEREFORE**, the DOTr and the DILG hereby adopt this Joint Memorandum Circular (JMC).
