Memorandum Circular No. 2019-208

Date: 10 DEC 2019

2019 National Anti-Drug Abuse Council (ADAC) Performance Award Implementation

1. Background

Last year, the Department of the Interior and Local Government (DILG) and the Dangerous Drugs Board (DDB) issued Joint Memorandum Circular No. 2018-01 entitled "Implementing Guidelines on the Functionality and Effectiveness of Local Anti-Drug Abuse Councils." Said JMC provides for the minimum standard for functionality and effectiveness of local ADACs and sets the performance indicators of a functional ADAC as measurement for effectiveness in support to the reduction of drug affectation.

Consequently, the Department issued Memorandum Circular No. 2019-117 entitled "2018 Anti-Drug Abuse Council Performance Audit". The performance audit aims to gather data on ADAC functionality and effectiveness and to determine the highly functional ADACs nationwide.

The 2019 National ADAC Performance Award will be given to Local Government Units (LGUs) who achieved one hundred (100) points or perfect score with an adjectival rating of ideal (high functionality) based on the 2018 ADAC Performance Audit. The award will recognize the exemplary efforts of LGUs, through their respective ADACs, in complementing the national government's efforts in eradicating the country's illegal drug problem.

2. Scope and Coverage

This policy shall cover:

- 2.1 Eighty-one (81) Provincial ADACs, 146 City ADACs, and 1,488 Municipal ADACs which shall be subjected to the performance audit;
- 2.2 All DILG Regional Offices and Field Offices, primarily involved in regional implementation, together with partner civil society organizations (CSOs) and national government agencies (NGAs);
- 2.3 The Bureau of Local Government Supervision (BLGS) and National Barangay Operations Office (NBOO) shall serve as over-all lead in the implementation of the performance audit; and

2.4 The Anti-Drug Abuse Council - Project Management Office (ADAC-PMO) is tasked to provide necessary technical, administrative, and/or logistical support to BLGS/NBOO in the implementation of the performance audit and the over-all lead in the conduct of the National ADAC Performance Award.

3. Objectives

The 2019 National ADAC Performance Award aims to provide recognition to provincial, city, or municipal ADACs who have exceptionally performed their duties and responsibilities in planning and implementing their respective anti-illegal drug programs, projects, and activities.

Specifically, it aims to:

- a. To institutionalize a system of recognition to ADACs for exemplary performance;**
- b. To inspire LGUs and their respective ADACs to excel in the performance of their duties and responsibilities; and,**
- c. To gather and acknowledge anti-illegal drug innovations and distinctive programs implemented by LGUs.**

4. Rules of the Award

The 2019 National ADAC Performance Award shall be covered and governed by the following issuances:

- a. DILG-DDB JMC No. 2018-01 which provides for the performance indicators and criteria in determining the level of functionality and effectiveness of local ADACs;**
- b. DILG MC No. 2019-117 which provides for the audit procedure and the creation of multi-level audit teams tasked to conduct validation and calibration of results;**
- c. ADAC Performance Audit Manual;**
- d. ADAC Performance Protocol;**
- e. ADAC - National Audit Team Resolution No. 2019-01 and,**
- f. All Memorandums and Advisories released relevant to the conduct of the performance audit.**
